went to the wall, very properly.

On Tuesday the Currency bill was the principal matter under consideration. The thoughts of most of the members upon this more so than the ideas of American inflationists, In the afternoon, the bill to provide a new Steamer for the coasting service was taken up, and several speeches made on it, the main point of difference between the speakers being as to whether the government should build and run the boat, or accept a contract from private parties to do the service. The discus-

sion will continue to-day. The Appropriation Bill has been engrossed and is ready to be presented on its final reading, when it will probably receive some important amendments.

### Remarks of the Attorney General AGAINST RESOLUTION OF THE HOX. MR. PILIPO, AUG.

28. 1876, TO PAY REPRESENTATIVES \$100 EACH, AS "EXPENSES OF THE SESSION."

Mr. President: I am glad that this resolution has been introduced. It gives this House the op pertunity of reversing its action on the resolution of last Saturday. It can not be that a single member of this Assembly world dishonestly at that usking for \$7,000 was unconstitutional because :

No. Mr. President, the bonorab ne territory should under any circumstan- sired action, and Senators Sargent and Mitchell | therity is the Constitution. To it both King and

law, no resolution, no action of this House cory to that Constitution can have any effect.

twenty dollars for each of the Representatives, to my mind, was so clearly unconstitutional that it show it and no extended argument was entered into. From the remarks made by those who supparted the resolution it appeared that there was a confusion of mind concerning expenditures not prohibited, and those directly refused by the Con-The Constitution provides that the Legislature

stitution would fall of fulfillment. Such construcwith the printed laws of this session, the new vol of corresponding with the constituency of the na-tion, each member ought to be allowed a certain business need not be at private expense. It may out it the members would be put to expense which member can claim that full amount. All such claims can be fairly made, and a question honestly raised. The majority of constitutional writers perhaps favor such construction. Personally, I always have and always shall oppose such ex-

Assembly the greater part of the day and was of its passage. No terms could be more explicit than these, yet it is proposed to pay one handred On Thursday a bill changing the conditions dollars over the two bundred and fifty dollars althe members already kept here too long. But no olution is so clearly contrary to the Constitution that it fills mis with surprise that so many honora-ule members can mistake. No argument can con-

vince me that I am wrong. No argument ought to be received by the twenty-three who voted in layor of this measure, to show that this Assembly has any power towate anything of this kind. If this can be some there can be no bounds to the power of this House. If they can vote one hundred dol-lars spiece, they can as well and as rightly vote ave hundred, or they can appropriate every dollar in the treasury to their private use.

The Hon. Mr. Pilipo claims that this is a question between the Legislative Assembly and the

In simple language the question becomes, tom of evil, this grim shadow, behind which stands olimited evil for Hawaii, death-to our national in ependence, we are vindicated, we shall declare that yet Hawaii respects itself, that yet we may call ours a constitutional government. If we re-fuse and stand by this mistaken step, I see before us swift and sure national death. To day we stand honored and respected before the world, though weak in numbers, for we have sacredly regarded who have lost the world's respect because they have falled in the most needful qualities of a guvernment. It we pass this measure we shall deserve as we shall receive the lasting contempt of the Ha-walian people. Again do I most solemnly warn this Assembly, most carnestly implore them, by all they hold sacred, to reconsider the heaty and misagainst. The news reached here on the 8th of subject were somewhat crude, perhaps not taken vote of Saturday and stand again before the
